Murphy during the former's absence, and that Judge Murphy became the bosses said account to 1844 by thority to grant the extension without | .osses incurred the presentation of the affidavit showing the absence or inability of Judge Curler, as the rule requires before the

order can be made by a Judge not having the business in charge. Judge Curer's absence was presumed to continue until his roturn was: shown and consequently below here phy's authority based upon that ab sence would likewise continue. It is said that under the first statute mer-Subscribed and sworn before me this tioned, the language that "the court or judge before whom the case was tried" may extend the time invalidates the order, because Judge Murphy was not the judge before when Custom suits and overcoats will be it was tried, and that he was not the sold at reduced prices-and reason court after he returned to Carson City where he made the order. In a nar row technical sence this may be true No advantage in waiting-put in if we do not look beyond the stricyour order and receive your goods letter of the statute. But not so it we consider the intent and purpose of the enactionet, and construe it in the

light of reason as applied to the or-

dinary rules of practice, and give due weight to the later section. Appar- Notice of the ication for Permission ently the object of this legislation was to prevent the granting of extensions and the meddling of judges in cases which they had not tried or which

court it would have been good, but unment on motion for a new trial, upon suring his vacation, but he analogy on or because in 1908, the ground that the statement was the construction claimed, if adopted, not filed within the time prescribed would, in every case where a district by law. The appeal from the inda- in the day, resigns or is interespect, namer section 197 made on of court Two, On that day Judge Curier of they are of that character ordinarily granted in chancers. This would who had tried the case at Rene and Bean a domestion and two rules free and that the judge who had tried the cines as Judge Curier had done in rids instance, could make the order in heen completed or in the process of cambiers, while his successor could him, and would have to be it, court to make these simple orders extending time in actions which had been

previously trivial by another judge Appellants desired and were cuti-!ed to the time granted for the put seeth nash and in his charge. The Risks written ...... 79,649 on requested to try, determine and dis- pose of enabling them to secure from Premiums received ..... 2280 % pose of all cases and business now the court rener or who had left to 835 of before the court in the absence of the State, a transcript of the testimony Pursuant to this request Judge Mu"- ble them to properly prepare the state-

Under Section 2573 Judge Curley could have made an order grantite them the extension at any place in Judge Curley's return on August 17th, the State, and as during his absence ing planting until August 15th in ness for him we conclude the was and prever a additional findings. On son this as he did, and as being the August 3d Jusige Murphy at Carsor her could have done, and that it was tall and not surplus.
